MEMORANDUM FOR: COMIREX NRO Consultant

SUBJECT : Reference Data for Planning Imagery Exploitation
(COMIREX-D-31.5 Series)

25X1

1. In view of the recent EXCOM decision reducing the number of [] and the pending consideration of the future status of various airborne imagery collection programs, there is need for early issuance of updated, revised data for long-range imagery exploitation planning.

2. I request that you take the necessary steps to have prepared the usual NRO input for this exercise. I would like to discuss with you, at your convenience, the possible timing for completing COMIREX action and issuing the new updated data compilation.

MEMORANDUM FOR: Chief, O/DD/I Administrative Staff

SUBJECT : Request for Emergency Typing Support

1. The Chairman, EXSUBCOM, has appealed to me to make emergency arrangements for additional typing support during the month of August for the COMIREX staff located [redacted] [redacted] predicts an even heavier than normal typing workload during this period and, with one girl serving as Intelligence Assistant/Administrative Assistant/Secretary/Clerk-Typist, there is no way the work can be kept moving.

2. I have reviewed the situation within COMIREX itself and do not see any way I can rearrange our few clericals to provide the support EXSUBCOM needs. Is there any way you can help either by assigning someone to us temporarily or by arranging for us to borrow someone from IAS or NPIC?

3. I would certainly appreciate anything you can do to help on this, pending some hoped for permanent relief by an overall increase in COMIREX clerical support.

Chairman, COMIREX
